

Welcome to the month of July 2017 and our amazing Summer Camp!

During the next 5 weeks of Summer, our themes are based on the children's interests from previous years and there is a new and exciting theme for each week of July instead of one whole theme for all of summer camp! The first week is called Canada week and it's all about learning about our country and its special 150th birthday this year. The next week's theme is all about the Zoo followed by a week where we imagine we are at the beach. This week has a very special start to it as the children and their parents/guardians are invited to join us for a special field trip where everyone can enjoy the sunshine together! The last week of July will be involve the children imagining themselves to be Olympians and practicing various Olympic sports that may lead them to being a proud Olympian some day in the future. The last week of summer camp will end with a huge bang as we celebrate Karibana week with the children.

There will be some new friends joining us for our Summer Camp and some of the classes will be changing. Please check the updated Class lists in the foyer for the Summer to see which class your little one will be in.

Our Summer Camp curriculum is more relaxed than the regular School year. We will be focusing on having a lot of outdoor fun with trips to the park for our JK/SK class and extended play in our playground for the PreKs. We will be taking our lessons outside with circle time under the shade of a big tree, scavenger hunts in the park, even drawing our favourite flowers that we find. We will also expand our artistic horizons with the children, having a lot of input into what and how they want to make their artistic Summer time creations. In the first week of Camp we will make Canada Day flags while celebrating Canada Day; what a great way to start our Camp! Please remember to check out our blog for these amazing photos of our little ones!

Looking forward to a wonderful Summer 2017 with everyone!

If you have any questions please feel free to email the school or call anytime :O)

Reminders:

- * On Tuesday, July 17th, we will have our outdoor field trip! More details to follow
- *Please remember to bring a **drink bottle** for your child so they can sip throughout the day
- *Also a spare **change of clothing** is needed for the warmer weather for each of our three floors (pants/shorts/skirt, underwear/diapers, & socks if desired) in addition to a full-set of spare clothing in your child's cubby (a shirt, pants, underwear & socks if desired) as well as **outdoor summer wear**: sun hat, velcro shoes, light jacket and sun screen for outdoor play. If you have received a spare clothing notice from us, please remember to bring in what has been requested.
